ABOUT UMC 2025

The 53rd Underwater Minerals Conference will be hosted by IMMS and held in-person at the National Auditorium of Rarotonga, Cook Islands. UMC offers five days of timely, exciting and diverse information on underwater mineral exploration, environmental research, technology, policy and regulations. The conference brings together leaders in government, academia and industry from over 25 countries. The UMC 2025 focus is:

**Filling the Knowledge Gaps:
The Science and Technology
of Seabed Minerals**

ABOUT IMMS

The International Marine Minerals Society advances understanding and progress of marine minerals exploration worldwide. IMMS encourages the prudent development of marine mineral resources, including concern for the environment and boosts research in all aspects of marine minerals development. IMMS is the organizer of the Underwater Minerals Conference.
