ABOUT UMC 2023

The 51th Underwater Minerals Conference will be hosted by IMMS and will be held in-person at the Intel Hotels Rotterdam Centre in the maritime city of Rotterdam, in the Netherlands.

UMC offers five days of timely, exciting and diverse information on underwater mineral exploration, environmental research, technology, policy and regulations. The conference brings together leaders in government, academia and industry from over 25 countries. The UMC 2023 focus is:

Making it happen:

Advances in Research, Exploration & Development

ABOUT IMMS

The International Marine Minerals Society advances understanding and progress of marine minerals exploration worldwide. IMMS encourages the prudent development of marine mineral resources, including concern for the environment and boosts research in all aspects of marine minerals development. IMMS is the organizer of the Underwater Minerals Conference.
