## ABOUT UMC 2024

The 52<sup>nd</sup> Underwater Minerals Conference will be hosted by IMMS and held in-person at the National Auditorium of Rarotonga, Cook Islands. UMC offers five days of timely, exciting and diverse information on underwater mineral exploration, environmental research, technology, policy and regulations. The conference brings together leaders in government, academia and industry from over 25 countries. The UMC 2024 focus is:

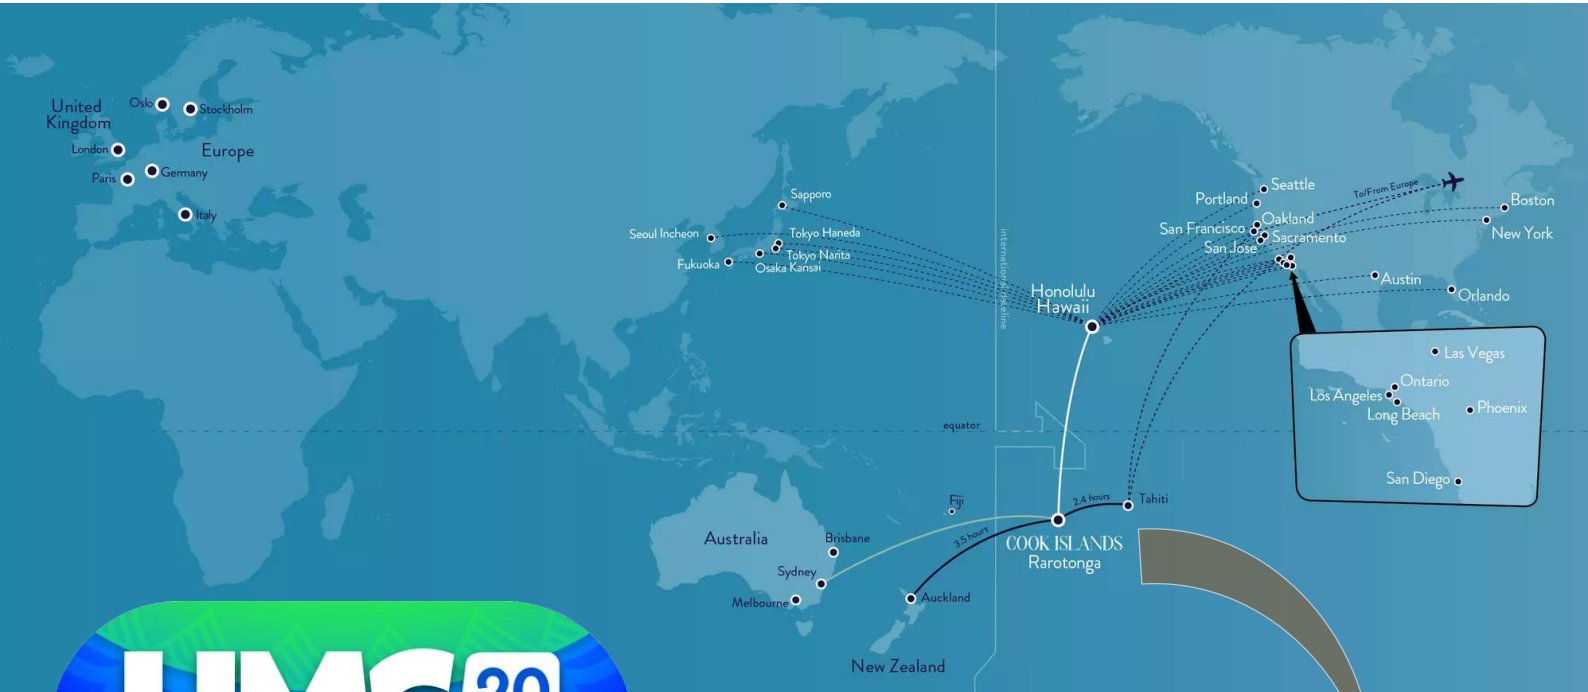

**Going Deep:  
Getting the Science Right for  
Informed Decisions**

## ABOUT IMMS

The International Marine Minerals Society advances understanding and progress of marine minerals exploration worldwide. IMMS encourages the prudent development of marine mineral resources, including concern for the environment and boosts research in all aspects of marine minerals development. IMMS is the organizer of the Underwater Minerals Conference.
